ART SUPPLEMENT SUNDAY WORLD.

THE END IS NOT YET.

Mrs. Harrison Still Lives and Is She Steams 530 Miles in Twenty-No Worse To-Day.

False Report Said the Lady of the White House Was Dead.

Much Sad Comment Before the Contradiction from Washington.

INT ASSOCIATED PRESS. WASHINGTON, Oct. 19,-The condition of

Mrs. Harrison this morning is unchanged.

she is no worse than yesterday. a rumor reached New York this morning that the lady of the White House had died. As such an event is now sadly expected at almost any hour, the rumor was received with some degree of credence, and for a time caused considerable comment in Wall stree and other localities, which it quickly reached The contradiction was not far behind the first appearance of the report.

CATLIN CANNOT RUN.

Ineligible for Congress While on the Army Retired List.

Gen. Isaac S. Catlin, who was nominated by the Democrats for Congress in the First Congressional District, Brooklyn, is to-day writing a letter of withdrawal, he not being reneral officer of the army. There will be a convention at 2 o'clock this

afternoon to nominate his successor

ALMOST DRIVEN TO MUTINY.

A Sailor's Tale of Brutal Treatment on the Ship Willie Reed.

Charles Schneider, a seaman just arrived in New York after an absence of thirteen months, has told a touching story to United States Commissioner Shields of the hard exort in the voyage to the Inman line office in M. Clancy's Gaiety. periences of the men on board the ship Willie Bowling Green.
Reed, which sailed from Chicago, bound for The City of Pa rates and his second mate, John Turner. schneider says the crew were practically

starved, compelled to work at unreasonable hours and subjected to brutal treatment, which almost resulted in mutiny at Kobe, where several of the men were put in jail after a row in which the second mate is said to have used a revolver freely, shooting three

The men were lodged in jail, the sailor says, on trumped-up charges, and Consul Smithers on being appealed to said he could not help them. On their release Schneider escaped and came home on the ship Belie O'Brien.

The Willie Reed is due to arrive here in about nine weeks. The Kobe Chronick, of April 9, denounces her captain and officers.

ASSAILED BY A FOOTPAD.

Sandbagged, Judge Thompson Takes the Sand Out of the Robber. PATERSON, N. J., Oct. 19.-Judge David

Thompson is to-day receiving the congratulations of his friends for his narrow escape from the clutches of a highwayman. Last night while walking along is lonely

port of Rip Van Winkle avenue, Judge Thompson, who had a large sum of money in his possession, was set upon by a man and struck on the head with a sandbag. The Judge, however, piled his walking-stick with such good effect that his assailant was giad to get away with a sound drubbing.

TWO WAYS TO KILL A WIFE.

Mrs. Noble's Head Split for Refusing to Drink Poisoned Beer.

NEWARK, Oct. 19 .- Mrs. Tillie Noble, whose head was split open by her husband, Albert Noble, at their home, 15 Nicholson street, at Bo'clock last evening, lies to-day at the City like some stand line a precarious condition.

Noble is alleged to have attempted his camel is a ruminant or cud-chewing animal, wile's life because shereiused to drink a glass f beer into which he had poured a quantity Jealousy is supposed to have been the hus-band's motive.

BLEW THE SAFE INTO PIECES.

Hasbrouck Heights Post-Office Vis

gen County, N. J., were much excited this morning when they learned that the Post-Office had been broken into during the night and the safe blown into pieces.
The Postmaster's house adjoins the Postoffice, but neither he nor his family were
awakened by the noise.

THOMAS CAMPBELL'S DEATH.

He Was the Father of Congressman

The funeral of Thomas Campbell, father of Congressman Timothy J. Campbell, who died at his home, 296 Delancey street, yesterday afteracon from paralysis, will take place from St. Rose of Lima Church, on Cannon atreet, at 10.30 o'clock Friday morning. Mr. Campbell was born in Ireland, and was eighty-four years old.

Insurance Company in Court.

CHICAGO, Oct. 19.-A receiver has been asked for the Western Manufacturers' Mutual insurance Company on the ground of mismanagement. The complainants allege that President P. A. Montgomery and Sec-

The City of Paris Again Breaks

Makes the Voyage in 5 Days, 14 Hours and 24 Minutes.

All Records.

four Hours.

Again the Inman line steamship City of Paris makes good her claim to supremacy over the greyhounds of the ocean.

CAPT. FREDERICE WATEINS.

America's adopted liner has just beaten her own record, which was the world's record, making the voyage from Queenstown to New York in 5 days, 14 hours and 24 minutes, and performing the feat of sailing 500 miles in each whole day of the voyage and on Tuesday sailing 530 miles, the great-The City of Paris bests her own record of July 27, 1892-5 days, 15 hours and 58 minutes for the same years and 58 M. H. Holler's Little Fred.

34 minutes, and casts in the shade the best hours and 31 minutes, with a best run of 517 knots in a single day, made in the voyage

Reed, which sailed from Chicago, bound for Kobe, Japan, Sept. 3, 1891. If the story is cabin passengers, at 2.25 o'clock in the morn-true it will very likely make trouble for Capt. Ing of last Thursday. She touched Queens-

503, 505 and 530 miles, respectively, completing the 288 miles to Sandy Hook at 12.38 velock this morning, having sailed 2,782 miles at the rate of 20.7 miles an hour. The log shows that moderate weather and

except that there were some squalls, a drizzling rain on Saturday and a gale and head seas towards night Sunday. On her July record-making trip the City of

Paris sailed 2,785 miles. The Teutonic, of the White Star line, reported having made 528 knots in a single day last Spring, but this claim was dispute the time, ship masters insisting that the feat was impossible. The City of Paris reports all well on board,

but she was, of course, detained at Quarantine. She will come up to her pier late this afternoon. The crew of the City of Paris, consists of 390 officers and men. She registers 10,500

tons, is 585 feet in length ever all, and 525 feet on the water line.

CAMELS WILL COME HIGH.

Uncle Jerry Rusk Decides that They Must Be Quarantined.

A fine specimen of the white dromedary is domiciled at Quarantine and will board there for ninety days, as the result of a decision by the combined wisdom of the Treasury Deit comes under the law which prescribes that cattle must pass a three months' quarantine. This camel came ten days ago on the Bovic, consigned to W. A. Conklin, for the Cincin-

nati Zoo. No camel was ever quarantined before, and this one might have escaped had not Mr. Conklin raised the question by the inad-vertent remark to Deputy Collector Quack-enbush that the animal was of the cud-chew-ling variety. It will make camels dreadfully expensive it

they must stand quarantine. A Third Leper in Philadelphia.

PHILADELPHIA, Oct. 19.—A woman leper was discovered in the city resterday and removed to the Municipal Hospital, where a Chinaman and a Japanese for some time have been awaiting death from the dread disease.

Morning Papers' Selections.

Another Ambulance Surgeon Called

When the Fassett Committee was investigating the public departments of the city a most exhaustive search was made in the Department of Public Works for evidence of maladministration, but not a single flaw was found, and the Committee dropped Commissioner Gircy in a burry when they found how things were going on in his ballwick.

At the present time Mr. Gircy is Grand Sachem of Tammany Hall and Chairman of the Committee of Thirty. He lives in comfortable style with his family of six sons and four daughters at 7 West One Hundred and Twenty-Arat street, and has a Summer house at Far Rockaway.

John Quinn, the Mayoralty candidate of the County Democracy, has long been a well-known politician and opponent of Tammany Hall. He is about fifty years old and came to this country from Ireland when a boy. He learned the trade of a stone-cutter, after securing a common school education, but afterwards drifted into politics and became the autt-Tammany leader in the old Seventeenth District. He was also in the liquor business and has since become a real estate dealer.

In 1884 he was elected to the Assembly. LEONARD A. GIECERIGH

teenth district. He was also in the liquor business and has since become a real estate business and has since become a real estate business. He was prominent as an advocate of anti-Pinkerton legislation, which made him wery popular amoung workingmen.

Mr. Quinn was elected to the Assembly, where he was prominent as an advocate of anti-Pinkerton legislation, which made him wery popular amoung workingmen.

Mr. Quinn was elected Allerman from the Seventeenth District in 1885 to Succeed the late Col. Truman A. Merriman. In 1891 he was retired, and has since devoted himself to business. He was prominent in the Anti-Snapper Convention in Syracuse, and has been one of the most persistent advocates of the third ticket movements since the Chicago Convention in Syracuse, and has been one of the most persistent advocates of the third ticket movements since the Chicago Convention in Syracuse, and has been one of the most persistent advocates of the third ticket movements since the Chicago Convention in Syracuse, and has been one of the most persistent advocates of the third ticket movements since the Chicago Convention in Syracuse, and has been one of the most persistent advocates of the third ticket movements since the Chicago Convention in the liquor with the liquor of the street in 1885 to Succeed the late Col. Truman A. Merriman. In 1891 he was retired, and has a level to Convention in Syracuse, and has been one of the most persistent advocates of the third ticket movements since the Chicago Convention in the most persistent advocates of the third ticket movements since the Chicago Convention in the most persistent advocates of the third ticket movements since the Chicago Convention in the most persistent advocates of the third ticket movements since the Chicago Convention in the most persistent advocates of the third ticket movements since the Chicago Convention in the most persistent advocates of the third ticket movements since the Chicago Convention in the most persistent advocates of the chicago Convention in the

real estate.

Mr. Einstein has never been very active in politics, but was sent to the Forty-sixth Congress from the old Morton-Astor-Flower district. While in Washington he attracted considerable attention by his speeches on the River and Harbor bill appropriations and on the silver question. He is now the President of a number of railroad and manufacturing corporations.
